

## First Impressions Meeting May 2, 2010

Meeting Attendees: Ken Sumpter, Marilyn Buck, John Buck, Lynne Daw and Ann Burgess

Open with Prayer

- Report from each team
  - How are things going?
    - First Impressions Team is in rings:
      - Parking lot greeters
      - Door greeters
      - Ushers
      - Rapid Response fed from cards that people fill out from in worship from bulletin
    - Are there any needs?
      - Rapid Response -Get water bottles for the Rapid Response Ministry to give to students in lieu of coffee mugs.
      - Need more volunteers for all 3 parts- delivery, mug packets and callers.
  
      - Parking lot greeters- things going great. All five areas have been covered each week. Some people are parking in the lower lot in the grass and sometimes people are blocking each other. John tries to park his truck over there to model how vehicles should be parked. Very positive comments that black tarp is off of the fence.
  
      - Greeters: Would like to have a groups booklet available at the FAB building as well as the map. Store some in the office rather than having to run over to the worship center.
- Hoping to purchase Church Community Builder software soon.
  - Looking at software for some time. Similar to facebook for churches. Allows the ability for churches to build processes
- What ideas have you taken away from the book so far?
  - A number of similarities with what CBC is currently doing and recommendations in the book
  - Looking at developing an information center when we get the connector building.
- Who would be good additions to the committee?
  - Cheri and Diane have resigned from the committee due to other personal commitments. We need to fill these vacancies

Meet in one month and finish review of the book.  
At the next meeting, each prepare to come with ideas of two committee members each.

Close with Prayer
