

# **Deacon Meeting Minutes**

## **June 21, 2010**

We opened the meeting with a general discussion. During the discussion time, we made sure to spend time Thanking and Praising God for all that went on in our church last week. We had over 560 people in Adventure week and had 32 professions of faith. There were over 100 people that volunteered to help with this event. We had 32 members on a mission trip in Costa Rico. The car show was a big success drawing in non-churched people to our campus. There were over a 100 cars and a lot of people in attendance.
